Edward McLeod has had his world turned upside down. He-s grown wings, escaped from the clutches of Whiplash Scruggs, a fallen Guardian bent on cutting off those same wings, and, with the help of the mysterious Mr. Spines, ended up in a section of the afterlife known as the Woodbine. Now, with the help of his new friends, Edward must master his Guardian powers and set off on his journey to rescue his mother-s soul from the most evil force in the afterlife, the Jackal. Along the way he-ll discover that Mr. Spines is actually his father and that he really is the only one who can restore peace to the Woodbine. In the end, he makes it to the Jackal-s fortress and is ready to fight his final battle in the last installment of the trilogy.
